19 - 19. What did you like most about this course?	
Response Rate	18/20 (90%)
<ul style="list-style-type: none"> • How easy it is to understand • She was very understandable with late assignments and just a good teacher in general. • I liked how the professor made it easy for me to understand the concept each day. I am usually very intimidated by math and she made sure to be very thorough in her instructions and examples. • Mrs. Bandyopadhyay was very helpful while teaching this course, she also took her time to make sure we understood the work! • I liked how it was easy to understand • The way she explained the material. • Quizzes and exams were true to notes • her positive attitude easy to understand notecard on test • The notes because they are very helpful. • The way she explained the materials • The preparation for each class • how easy it was • How we got a 100 for just turning in completed work right or wrong? • the ability to use a notecard to help during a exam. • I enjoyed how she would explain things in a way I could understand without over complicating the math. • Understanding of math which made me understand a lot more than I did • NA • The professor she made it very enjoyable and understanding.. for it to be a 8am class.

Response Rate: 19/20 (95.00 %)

20 - 20. What did you like least about this course?	
Response Rate	16/20 (80%)
<ul style="list-style-type: none"> • Nothing comes to mind • Math simply just isnt my strong suit • N/A • N/A • I didn't dislike anything • I don't believe we should be forced to go to officer hours or math learning center if we don't need it • n/a • Not being able to access notes if I couldn't make it to class. • NA • quizzes every friday • Nothing. • homework everyday. • How early the class was. I also did not like how early the homework was due by. There would be times where I would do the homework but forget to upload it so I would automatically get a zero, even if I was present in class and did the work. • N/A • NA • N/A 	

21 - 21. What suggestions do you have for improving this course?	
Response Rate	15/20 (75%)
<ul style="list-style-type: none"> • Nothing comes to mind • Do the practice exams and go over homework. • N/A • To improve I would just study the homework over, use flashcards to your best ability, and make sure your homework is turned in on time! She is a great teacher, I would recommend • Nothing • N/- • n/a • Nothing. It's great. • Post the notes as a blank copy and a copy from class filled out on canvas • None • To keep giving study guides and notecards for test, and doing what your doing. • do not give homework everyday. • A suggestion would be to maybe have the homework due by the next day rather than that same night. So for example if the homework packet is from Monday, it will be due Tuesday night, right before Wednesday's class. • N/A • n/a
